

## Industry Qualifications

### Level 2 Certificate in Warehousing and Storage (QCF)

#### Introduction

The revised Skills for Logistics qualifications look different as they all combine Capability (Knowledge) with Competency into a single qualification. They are all mapped directly to the revised National Occupational Standards (NOS) on a one to one basis so that employers, employees and learners can be confident that they meet the skills requirements for our sector.

The qualifications are more flexible and will allow you to achieve the qualification in 'bite-sized pieces'.

#### The Qualification

This qualification is for those who are working or who wish to work in a warehousing and storage facility in logistics. There are 2 mandatory units with a choice of options to be taken from the groups as shown below. The minimum credit value that must be taken to achieve the qualification is 26 and the maximum credit value is 32.

You can also take the qualification as part of the Warehousing and Storage Intermediate Apprenticeship.

## Mandatory units

SfL Unit Reference	Title of Unit	Credit
2SfL15	Health, safety and security at work	3
2SfL22	Develop effective working relationships with colleagues in logistics operations'	4
